2. Purpose & Scope

Purpose

This policy exists to protect the health and safety of all personnel at Aeria Solutions Ltd. by mitigating the spread of COVID -19. Its objectives include ensuring compliance with public health directives, reducing workplace transmission, and supporting a safe return to work, addressing the ongoing challenge of infectious disease control.

Scope

This policy applies to all employees, contractors, and visitors at Aeria Solutions Ltd. sites, covering all operational areas, offices, and remote work environments where company activities occur.

3. Definitions & References

Definitions

- COVID-19: A respiratory illness caused by the SARS-CoV-2 virus, subject to ongoing public health measures.

- Self-Isolation: Voluntary or mandated separation of individuals with symptoms or exposure to prevent spread.
- Public Health Directives: Guidelines issued by provincial or federal health authorities (e.g., BC Centre for Disease Control).

References

- BC Occupational Health and Safety Regulation (Part 4 - General Conditions).
- Workers Compensation Act (British Columbia), Part 3 - Rights and Responsibilities.
- Aeria Solutions Ltd. Health & Safety Policy.
- BC Public Health Orders (as updated September 2025).

4. Policy Statement

Aeria Solutions Ltd. is committed to protecting the health and safety of all employees, contractors, and visitors by implementing measures to prevent the spread of COVID-19. We will comply with current public health directives, provide necessary resources, and promote a safe workplace through education, screening, and response protocols.

5. Procedures

Step-by-Step Actions

- Health Screening: Conduct daily symptom checks or temperature screenings at entry points.
- PPE Usage: Require masks and other PPE in high-risk or crowded areas as per health guidelines.
- Sanitization Routine: Ensure regular cleaning and provision of hand sanitizing stations.
- Isolation Protocol: Implement self-isolation for symptomatic or exposed individuals with paid leave.
- Communication Update: Provide ongoing updates on policy changes and health advisories.

Roles & Responsibilities for Each Step

- Health Screening: Site supervisors and HSE Representatives.
- PPE Usage: All employees, supervised by supervisors.
- Sanitization Routine: Facilities team and cleaning staff.
- Isolation Protocol: HR and management.
- Communication Update: HSE Management and leadership team.

Tools, Forms, or Checklists to be Used

- Health screening logs
- PPE distribution records
- Cleaning schedules
- Isolation request forms.

Safety/Compliance/Quality Requirements

Adherence to BC Public Health Orders, OHS Regulation Part 4, and internal safety protocols for infectious disease control.

Reporting or Escalation Processes

Report symptoms or exposures to supervisors; escalate confirmed cases to HSE Representatives or management within 24 hours for contact tracing.

6. Roles & Responsibilities

- **Management** : Provide resources for screening, PPE, and cleaning, ensuring compliance with health directives and supporting affected workers.
- **Supervisors** : Monitor screening and PPE use, enforce isolation protocols, and report issues promptly.
- **Staff** : Participate in screenings, wear required PPE, self-isolate when necessary, and report symptoms immediately.

7. Monitoring, Compliance & Enforcement

- **How Compliance Will Be Monitored** : Through daily entry logs, weekly sanitation audits, and employee feedback to ensure adherence to protocols.
- **Consequences for Non -Compliance** : Verbal warnings, mandatory retraining, or removal from site for refusal to follow health measures, with termination possible for repeated violations.
- **Reporting Obligations** : All symptoms, exposures, or non-compliance must be reported to supervisors within 24 hours.
