## 2. Purpose & Scope

### Purpose

This policy exists to encourage transparent and effective communication at Aeria Solutions Ltd. to enhance safety, resolve issues, and foster a collaborative workplace. Its objectives include ensuring all personnel can raise concerns without fear, improving decision-making, and addressing the challenge of communication barriers in high-risk environments.

### Scope

This policy applies to all employees, contractors, and visitors at Aeria Solutions Ltd., covering all departments, roles, activities, and locations where company operations occur.

## 3. Definitions & References

### Definitions

- Open Communication: A culture where all personnel can freely report safety concerns, suggestions, or issues without retaliation.

- Retaliation: Any adverse action against an individual for raising a concern or exercising their rights.
- Anonymous Reporting: A method allowing concerns to be submitted without disclosing the reporter's identity.

## References
