2. Purpose & Scope

Purpose

This document outlines the duties of Aeria Solutions Ltd. as an employer to ensure a safe, compliant, and supportive workplace. Its objectives include meeting legal obligations, protecting employee well-being, and addressing workplace hazards effectively.

Scope

This policy applies to Aeria Solutions Ltd. management and supervisory staff, covering all work sites, employees, contractors, and operational activities.

3. Definitions & References

Definitions

- Employer Duties: Legal and ethical responsibilities to ensure employee safety, health, and fair treatment.
- Hazard: Any condition or activity with potential to cause injury or illness.
- Compliance: Adherence to occupational health and safety regulations and company policies.

References

- BC Workers Compensation Act (Part 3 - Rights and Responsibilities).
- BC Occupational Health and Safety Regulation (Part 3 - General Duties of Employers).
- Aeria Solutions Ltd. Health & Safety Policy.
- WorkSafeBC Guidelines on Employer Responsibilities.

4. Policy Statement

Aeria Solutions Ltd. is committed to fulfilling its duties as an employer by providing a safe working environment, complying with all legal requirements, and supporting employee health and safety through proactive measures and resource allocation.

Employer Duties

- **Safety Provision** : Ensure a workplace free from recognized hazards.
- **Training and Instruction** : Educate employees on safe work practices and emergency procedures.
- **Equipment Supply** : Provide and maintain safe tools, machinery, and PPE.
- **Health Monitoring** : Address workplace health risks, including fatigue and substance use.
- **Incident Response** : Investigate and mitigate incidents to prevent recurrence.
- **Policy Compliance** : Adhere to all applicable health, safety, and employment laws.
- **Worker Support** : Offer resources for reporting concerns and resolving issues without retaliation.

5. Procedures

Step-by-Step Actions

- **Risk Assessment**: Conduct regular hazard identification and risk assessments.
- **Safety Training**: Provide initial and ongoing safety training for all employees.
- **Resource Provision**: Supply necessary PPE, equipment, and safety tools.
- **Policy Enforcement**: Monitor and enforce compliance with safety and company policies.

- Incident Investigation: Investigate all workplace incidents and implement corrective actions.

Roles & Responsibilities for Each Step

- Risk Assessment: HSE Representatives and management.
- Safety Training: Training coordinators and HSE Management.
- Resource Provision: Procurement team and management.
- Policy Enforcement: Supervisors and management.
- Incident Investigation: HSE team and management.

Tools, Forms, or Checklists to be Used

- Hazard assessment forms (e.g., FLRA/FLHA)
- Training logs
- Equipment inventory lists
- Compliance audit checklists
- Incident report forms.

Safety/Compliance/Quality Requirements

Adherence to BC Workers Compensation Act Part 3 and OHS Regulation Part 3 during all employer duties.

Reporting or Escalation Processes

Report hazards or incidents to supervisors; escalate unresolved issues to HSE Representatives within 24 hours.

6. Roles & Responsibilities

- **Management** : Oversee policy implementation, allocate resources, and ensure legal compliance.
- **Supervisors** : Monitor workplace safety, enforce rules, and report issues to management.
- **HSE Team**: Conduct assessments, provide training, and investigate incidents.

7. Monitoring, Compliance & Enforcement

- **How Compliance Will Be Monitored** : Through monthly safety audits, training records, and incident reviews to ensure adherence.
- **Consequences for Non -Compliance** : Corrective action plans, retraining, or legal review for failure to meet duties.
- **Reporting Obligations** : All safety or compliance issues must be reported to HSE Representatives within 24 hours.
